

Somerset Clinical  
Commissioning Group

# Speak Up!

Somerset Learning Disability  
Partnership Board

We want people with  
learning disabilities in  
Somerset to tell us what  
they want

We will help people to set up groups in  
Somerset and find safe places for the  
groups to meet

There will be a Facebook page for people to  
talk to each other.  
Groups can come to the Learning Disability  
Partnership Board to tell us what they think

We want people to be part of staying  
well, being safe and having a good life

For more information talk to  
Carolyn Arcscott
