

Girls Football Club

December 2018

Dear Parents,

In response to the high number of children attending our Friday Football Club, and in support of the recent success following the KS2 ESFA first round competition we would like to provide your daughter with the chance to attend a girls only club on Wednesdays after school, from 3pm - 4.15pm.

We feel that by separating the boys and girls training sessions, each child will benefit from a greater quality of coaching to help improve their skills and confidence both as a sporting participant and as a member of the school community.

The proposed change will start, with your approval, the first week of term following the Christmas break, which is Wednesday 9th January 2019 – Wednesday 3rd April 2019. The majority of the girls attending football club have shown a keen desire to have a club of their own and they too feel it would benefit their improvement. We understand this may conflict with other commitments but also hope that all the girls can continue to attend, if those commitments can be rescheduled where possible.

Kindly complete the slip below and return it to me as soon as possible. Thank you for your continued support.

Regards,

Mr Stuart Harris
