

# The New SIMS Parent App

OAKFIELD ACADEMY  
BELIEVE AND ACHIEVE

January 2019

Dear Parent,

We have a convenient new way to share information with you about your child's school life. By the end January, you'll be able to access our new parent app and website. You can access the system from a smartphone, tablet or PC – anytime, anywhere.

## What you find in the Parent App:

- Important information such as attendance, merit badge status and behaviour points
- School term, inset dates and contact details available at the click of a button
- Access your child's school report (we are in the process of uploading them by Easter)
- Receive notifications to remind you about important information such as key dates for your diary
- Access to update your contact details, so we always have the most up to date information, in case of emergency (3 contacts are required)
- If you have more than one child at school, you'll have access to information for all your children, from the same app, when all years have gone live

The information that you receive through the app will help you to stay up-to-date with your child's school life as well as support your child's development and progress.

## Getting started with the SIMS Parent App

1. We will send you an activation email, simply click on the link from your tablet, PC or smartphone to activate your account.
2. You can then login using your normal **Facebook, Twitter, Google** or **Microsoft** username and password.
3. From your smartphone or tablet, download the free app from the Google Play or Apple App store - search for **SIMS Parent**.
4. From a PC or Windows phone, login online at [www.sims-parent.co.uk](http://www.sims-parent.co.uk)
5. Oakfield Academy will send a text, when the emails have been sent. Please let us know if the email has not been received.

*Please note that your activation email is unique to you and should not be used by anyone else. If you require an additional login then please contact us. Your activation email will expire after 14 days if it is not used, please contact the school if you require a replacement after this date.*

Please keep this sheet somewhere safe so that you can access Parent App after your activation email is received. Please let us know if you have any feedback about the app, once it is activated. Thank you for being our guinea pigs, and letting us know of any teething problems or suggestions.

Yours sincerely,

Miss E Wilkes
