

# Climate Change Environmental Club

June 2019

Dear Parents

## CALLING ALL KEY STAGE TWO STUDENTS!

I am delighted to announce that there is an exciting opportunity to join our KS2 Climate Change Club, which will take place on Tuesdays from 3.00 - 4.00pm (11<sup>th</sup> June – 16<sup>th</sup> July) in my classroom, 5S. If you are interested in finding out how you can help your local community make the changes needed to stop climate change, then please join this club to learn more! The idea for this club came from the students and it will continue to be student-led under my supervision.

### Proposed activities include:-

- Listening to expert visitor speakers
- Watching environmental videos
- Creating fun projects
- Carrying out research to share with the community
- Art work/ posters/ leaflet making

If your child is interested in joining the club, kindly complete the permission slip below and return to me as soon as possible. Please assume that your child has a place at this club unless you hear differently. For safe-guarding purposes, please inform the academy if for any reason your child is unable to attend club.

**Ms H Mundy**  
**Year Five Tutor**

## Climate Change Environmental Club

Name of Pupil \_\_\_\_\_

As parent of the above child I give my permission for them to attend Climate Change Club as detailed above. I understand if for any reason my child is not attending I should inform the academy.
